QWASH3612

36 X 12 W LED WASH MOVINGHEAD

Features

QWASH3612 is a powerful 36x12W RGBW LED moving head zoom light with advanced pixel ring effects and smooth motorized zoom, perfect for stage, event, and church lighting. This wash moving head light can combine thousands of colors with its almost perfect LED units.

With this moving head light, you can get perfect images in live performances on stages, in clubs and meeting rooms.

You can animate and color the areas that are most difficult to illuminate as you wish by zooming in on them. This type of light, specially designed for projects, is designed to give you the highest quality and most colorful lights.
