CITY 100 RGBW

100W LED RGBW COB SPOT

Features

LP100RGBW features an all-aluminum structure, elegant design and 100W RGBW 4-in-1 Cob led source. It produces a perfect color blend and provides full color rendering effect.

Its powerful function makes it an ideal choice for projection lighting, stage, theater and other places, with 0-100 linear dimmer allowing the light to be turned on and off.
