SW600

DYNAMIC VOCAL MICROPHONE

Features

- The dynamic SW600 is an excellently tuned live vocal microphone suitable for rehearsal rooms and stages of any size.
- Balanced sound that is both powerful and natural.
- Very wide pick-up range thanks to its cardioid polar pattern.
- High feedback rejection.
- Outstanding handling, ruggedness, look and touch.
- Ready to use immediately — plug it in and it's ready.
- Ideal for lead and backing vocals of all music genres, as well as for professional rental companies and sound technicians.
